CARLETON'S DAYS AND NIGHTS ON THE BATTLE-FIELD.  
ITS INTEREST, ITS VALUE.

From the Hon. Joseph White, Secretary of the Board of Education in Massachusetts:  
"I am happy to say that the volume, 'My Days and Nights on the Battle-Field,' has more than realized my anticipations of its interest and value. I have placed it in the hands of more than one of my young friends, and have witnessed with delight the interest with which they have devoured its contents. Most heartily do I wish that every generous boy in the land might read it."

From the Rev. E. O. Haven, D. D., President of the University of Michigan:  
"I thank you for a copy of the 'Days and Nights on the Battle-Field.' It is an intensely interesting book. I wish every youth in the land could read it. It would sow the seeds of genuine Christian patriotism in their souls."

One volume, richly illustrated with engravings, maps, and diagrams. Price \$1. TICKNOR & FIELDS, Publishers, Boston.
